## How to receive

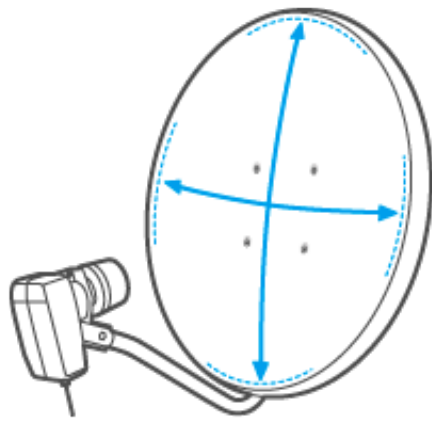

Your satellite dish must be firmly fixed and accurately pointed at the satellite to receive the channels that you want to watch. This guide will calculate the correct angles to align the dish, and explain the whole installation process.

### Step 3: How do I install the dish?

#### Make the final adjustments

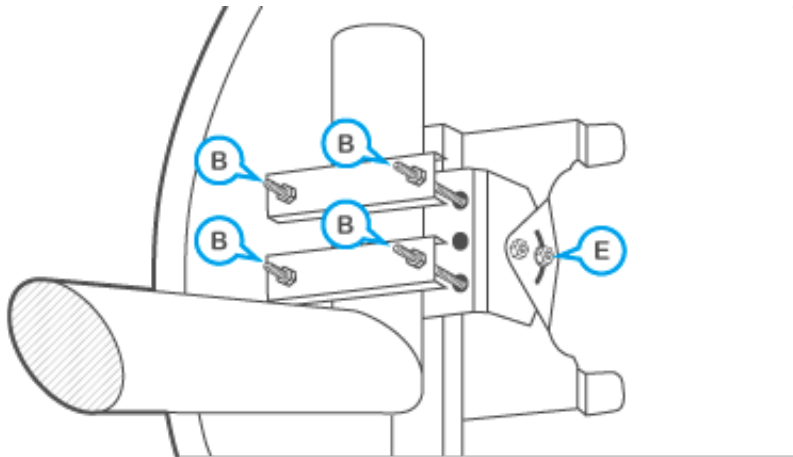

---

A

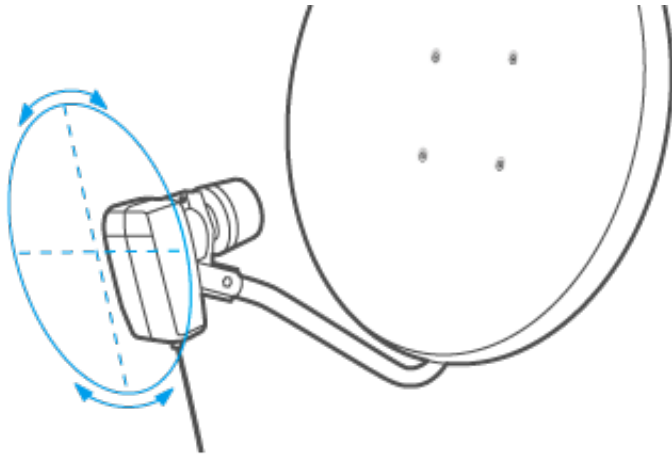

**Fine tune the dish position** Lorem ipsum dolor sit amet, consectetur adipisicing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.
